

Real People . . . Real Faith . . . Real Future

July 10, 2022

Dickson de la Haye opened the meeting by welcoming Pastor Matt. Matt was our "keynote speaker". He told of his faith journey from how his family relocated from the valley to Marble Falls at the age of 9. He relayed how he kept getting a message of "feed my sheep". By listening and heeding God's word, he has seen God's calling come to fruition.

During Matt's talk, a "heartly" breakfast was enjoyed thanks to the work of da la Haye Cooking Team. No Heart attacks have been reported from the previous Men's Breakfast.

Dickson de la Haye mentioned:

1. Plans for the pumpkin patch to be located on the church campus are still underway.
2. Lyndol Miller will again faithfully install the needed lighting.
3. October 1st will be the arrival date of the first load of pumpkins.
4. 2-3 days prior to first arrival of pumpkins will be set-up day.
5. BUMC Men's Group shirts are being ordered, see Clark Lyman.

Dickson also gave a heartfelt testimonial about his work with Kairos and the work at Giddings.

Special prayer request for Danny Grimm and Jim Stavlo.

The meeting was adjourned.

\$74 was collected.
