Your privacy is critically important to us. This Privacy Policy explains how we handle information collected through our website and our mobile communication services.

1. Information We Do Not Collect or Sell

We believe in absolute transparency. We do not collect, track, store, or sell your personal information when you visit or browse our website.

No Data Harvesting: We do not use tracking cookies, analytics pixels, or background software to harvest your personal data.

No Data Selling or Sharing: Because we do not collect your personal information, we absolutely do not sell, rent, trade, or share any consumer data with third parties, affiliates, or marketing agencies for any reason.

2. SMS and Text Messaging Consent

If you choose to interact with us via mobile messaging (such as initiating a text conversation or opting in to receive updates), we collect only the minimum information necessary to communicate with you (your phone number and message history).

We strictly adhere to mobile carrier compliance guidelines. Please note the following regarding your SMS consent:

No Sharing of SMS Consent: Mobile subscriber information, text messaging originator data, and opt-in consent data will **never** be shared, sold, or rented to any third parties, partners, or affiliates for marketing or promotional purposes.

Voluntary Opt-In: By providing your mobile phone number and opting in to receive messages, you consent to receive text messages from us. Consent is not a condition of any purchase or service.

How to Opt-Out: You can cancel the SMS service at any time. Just text **STOP** to any message you receive from us. After you send the SMS message **STOP**, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us.

Help & Support: If you are experiencing issues with the messaging program you can reply with the keyword **HELP** for more assistance, or contact us directly through our website.

Carrier Rates: Message and data rates may apply for any messages sent to you from us and to us from you. Message frequency varies based on your interactions with us.

Our website may contain links to external sites that are not operated by us. Please be aware that we have no control over the content and practices of these sites, and cannot accept responsibility or liability for their respective privacy policies.
